LIST OF COMMENT LETTERS AND SPEAKERS

INTRODUCTION

This chapter lists the names of all persons and organizations who submitted written comments on the *Blithedale Terrace Project Draft EIR* (SCH# 2006062040) and those who made verbal comments at the Planning Commission public hearing held on May 10, 2010. The list also identifies petitions that were submitted as part of the public record during the public comment period. The list begins with seven (7) letters from individuals representing public agencies; letters from individuals begin with Letter No. 8.

Note that Letter Number 84 is shown in the table below as "RESERVED;" this is because the letter from Eve Pell (Letter Number 79) was inadvertently included twice when the letters were initially compiled and numbered. Consequently, there is no separate Letter No. 84 and there are, in fact, a total of 103 letters, not 104.

Copies of the comment letters and specific responses to the comments made in each are found in Chapter 4, Individual Comments and Responses.
