

In case of an earthquake, public safety officials recommend having enough food and water to last up to 7 days. If we have a catastrophic fire, you may need to evacuate in 10 minutes or less. GET READY is a free 1  $\frac{1}{2}$  hour class, sponsored by the Mill Valley and Southern Marin Fire Departments, that teaches you how to prepare your home and family for all types of emergencies.

## Sign up now for 2012 classes. Pre-registration encouraged.

Send an email to: <a href="mailto:getready@smfd.org">getready@smfd.org</a> or call 380-1105 and leave you name, phone, email, and class you want to attend.
