- A site plan reduced to 8 1/2" x 11" is required for multi-unit sites showing the location of buildings and main entries.
- Other documents may be required on a case-by-case basis.

The Planning Department will review the address change request with other concerned City departments, determine a logical street address that is consistent with the existing address pattern in the vicinity and will advise the owner and affected agencies and utilities of the street address change by letter.
